DIVISION: Administration - Public Works

AUTHORIZED BY: Gary Johnson

MOTION/RECOMMENDATION:

Approve the reappointment of Commissioner Art Woodruff, City of Sanford, as a Municipal Representative to serve on the Seminole County Expressway Authority, pursuant to unanimous recommendation of the seven (7) cities located within Seminole County.

County-wide

Gary Johnson

BACKGROUND:

The State Statute establishing the Seminole County Expressway Authority (SCEA) provides that five (5) County Commissioners and two (2) elected municipal officials within the County serve as Authority members.

The term of one of the municipal positions, held by Sanford City Commissioner Art Woodruff, expired in January 2009. Commissioner Woodruff has served three (3) terms on the Authority and has expressed willingness to be reappointed.

Historically, the Council of Local Governments (CALNO) has served as a forum for recommending municipal representatives to serve on the Expressway Authority. At their February 4, 2009, meeting, CALNO voted unanimously to recommend Sanford City Commissioner Art Woodruff, for reappointment.

After CALNO's action, each city was asked to endorse CALNO's recommendation by placing the matter before their respective City Commission for official action. As a result, each of the seven (7) cities has endorsed CALNO's recommendation to reappoint Commissioner Art Woodruff to the Seminole County Expressway Authority Board.

Pending the County Commission's February 24, 2009, approval, and subject to the statutory requirement of being an elected municipal official, Mr. Woodruff's term will run through January 2011.

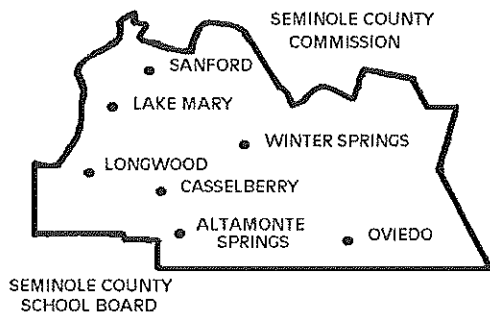

STAFF RECOMMENDATION:

Staff recommends that the Board approve the reappointment of Sanford City Commissioner Art Woodruff, as a Municipal Representative to serve on the Seminole County Expressway Authority Board.
